

Black Board Vinyl

product specification

This Black Board Vinyl is a matt black polymeric PVC film (130 micron) and is used as a chalkboard film for indoor applications. Black Board Vinyl has a high tack removable adhesive that sticks to smooth painted walls and remains removable for up to 1 year.

You can use solid, soft and liquid chalk markers with Black Board Vinyl and all are easily wiped clean with a damp cloth. Black Board Vinyl can also be printed with UV curable inks, making this vinyl completely customisable.

perfect for:

- Bars and restaurants
- Schools
- Retail stores
- Home interiors
- Nurseries
- Offices
