

# easiMARK Sports

## product specification

easiMARK Sports is a PVC plotter cut heat seal material with a polyester backing with a vibrant colour range.

The lack of adhesive means you can stack lots of weeded transfers until you're ready to press them. This is a really easy-weed product and fine detail can be produced without losing any of the design during the preparation process.

- Low pressing time and temperature
- Matt finish
- Very easy to weed
- 250 microns thick - offering high covering power

Certified Oke-Tex  
Standard 100 Class I

## step by step guide

cut	apply	press	remove backing film
cut mirror image and weed  blade new at 45° knife pressure 90 gf speed: 20 cm/sec	apply heat sealable side down	150°C for 15 seconds medium pressure	when cold
